

DUCK ISLAND

LONDON

The inspiration behind Duck Island comes from the island of the same name, which in 1734 was described as "one of the most enchanting summer retreats imaginable... a paradise in miniature."

Duck Island is located in St. James's Park, one of London's oldest Royal Parks.

The most celebrated inhabitants of Duck Island are its pelicans, the inspiration behind our motif. Pelicans have lived on Duck Island since 1664 when King Charles II received a gift of pelicans from the Russian Ambassador; a tradition that some Ambassadors continue to this day.

Paradise in miniature, Duck Island toiletries offer an enchanting retreat from everyday life.

Mandarin & Bergamot

An exotic, zesty and fragrant combination of Mandarin and Bergamot that will stimulate your senses, helping to create a more relaxed feeling.

Whilst both the Mandarin and the Bergamot trees owe their origin to South East Asia, Bergamot claims its name from the Italian city of Bergamo, where its oil, that is extracted from its flowers, was first sold.
